MICC SKI WEEKEND

JANUARY 17-20, 2019

COME AND JOIN THE FUN

As members of the family of God, part of our MICC schedule each year includes the MICC ski weekend.

This year we have again rented a self-catering chalet in the Austrian Alps. It should be a great weekend away for skiing and winter fun, relaxing with friends, and time to reflect and talk over deeper matters too. It is a great opportunity to bring friends and relatives from outside MICC. It is more than a weekend of skiing, it is a time for our church body to grow closer together in unique ways.

(Non-skiers are welcome, however, aside from cross-country skiing, tobogganing, and relaxing in the chalet, there isn't that much to do in the area.)

THE LOCATION

The chalet is nicely situated in the Pitztal valley of Austria not too far from the small town of St. Leonhard. Aside from a lot of beautiful nature and three ski areas, there is not much nearby. One of the ski areas is a glacier, so snow is guaranteed. There is plenty of parking and also a free ski bus that stops outside the door and goes to each ski area. The Pitztal valley is south of Garmisch and about a 2 1/2 hour drive south of Munich—not factoring in traffic, weather, or construction. The chalet has space for over 50 people, and almost all rooms have their own bathrooms and shower facilities. (More information will be provided on our online registration form.)

THE PLAN

Following an energetic day on the slopes we will meet together in the evening to enjoy a meal together and late night conversations in one of the communal rooms with board games, snacks and drinks—a great opportunity to build friendships.

On Sunday we plan to return to Munich in time for our service.

We have booked the entire chalet for Thursday, Friday, and Saturday nights (Jan 17-20). You can choose the Standard Weekend (Fri-Sun) or the Extended Weekend (Thu-Sun). The price is for the whole weekend, not per night, and includes all room costs, breakfast, and the evening meal.

Every effort has been made to keep costs low. The self-catering chalet helps a lot with this. However, as a result, we expect everyone to be willing to help out where needed—especially before and after meal times.

INSURANCE COVER

Please bear in mind winter sports can be dangerous and as such appropriate insurance cover is highly recommended.

WHAT TO BRING

Passport, games, Bible, warm clothes, skis, boots, sleds, snowboards. Ski passes and equipment will be bought or rented there. Linens are provided, however, you must bring your own towels. Basic drinks will be provided for mealtimes. One great advantage of a self-catering chalet, is we can bring our own food. So we encourage you to bring along drinks and snacks (beer, wine, homemade snacks, etc) to share in the evenings.

TRAVEL

If you are able to drive down, it is of great help to us if you offer to drive others down with you—please mark how many people you can take on the registration form.

While it is possible to reach the location by train, it will be much easier by car. We will make every effort to place everyone in a car.

Also, unless you're coming by train, please bring extra cash to cover your travel costs. This money will be collected over the weekend to reimburse drivers for fuel and any approved car rental costs.

SKI ACTIVITIES (APPROXIMATE COSTS)

A ski pass for the main areas is priced as follows:

	Adult (18+)	Child
1 day	42,00€	25,00€
2 days	80,00€	48,00€

EQUIPMENT RENTAL

A day's rental for a standard set of adult carving skis and boots or for snowboard and boots should cost around 30-35€ per day.

Helmets can be rented, but you must bring proper clothing.

SKI LESSONS

For complete beginners we would strongly recommend that you have had some time on the slopes or lessons **before** you come. There usually are people willing/able to help beginners at the retreat but you should have had at least one day experience. **Be prepared for additional costs for the lessons** and check the appropriate box on the registration form if you would need help on the slopes.

REGISTRATION DEADLINE

Please register on or before January 6. Late registration will be possible through January 13, however a late fee of 10€ will apply. Space is limited, register soon! If you are unable to fully commit at this time, you may still register now, there is a place on the form to indicate when you will be able to confirm.

To limit the cost and confusion of late cancellations, a fee of 25% will be charged for anyone cancelling after the 14th of January.
